## *Modeler of the month.*

**John Brodak** pictured here at the 2015 NASA Scale Classic held in Lexington, KY. John flew his "Shoestring" to AMA National champion and 2nd place here at the NSC. A favorite scripture of John is 23rd Psalms.

- 1 The Lord is my shepherd, I lack nothing.*
  - 2 He makes me lie down in green pastures,  
he leads me beside quiet waters,*
  - 3 he refreshes my soul.*
- He guides me along the right paths*

*for his name's sake.*  
**4** *Even though I walk  
through the darkest valley,  
I will fear no evil,  
for you are with me;  
your rod and your staff,  
they comfort me.*

**5** *You prepare a table before me  
in the presence of my enemies.  
You anoint my head with oil;  
my cup overflows.*

**6** *Surely your goodness and love will follow me  
all the days of my life,  
and I will dwell in the house of the Lord  
forever.*

## ***Our new prayer-chain.***

**Wow, what a wonderful response! The recent snail-mail send out to try and update our data base has been a benefit beyond belief. Most of us have changed email addresses several times since the last update process, a lot of names have sifted through the communication floor and been lost and unaccounted for, but those names are easing back into our fold.**

**Allen and his wife, Jan, have put a ton of hours into the recent mail out and it was very effective for the recovery of members not only for addresses for the newsletter, but for the PRAYER CHAIN!!!!**

**With the combination of changing emails without updating them to us and people moving, the chain had dwindled significantly in numbers. Plus, giving new folks the opportunity to join the chain has been quite lacking, but no more.**

**So many of you have indicated that you would like to be a part of the prayer chain that you have me really pumped up over it. The battleground is now seeing more troops armed and ready for the fight against Satan and his minions as well as against the natural causes of pain and sickness among our Christian families.**

**I am still engaged in adding the new names and addresses to my prayer chain data base that I'll have hours invested by the time I get it fully updated and ready to go. We are already over fifty members there with more yet to add. When you consider that those numbers had dwindled to well below that, it's easy to get excited.**

**What a privilege it is to be allowed to approach the throne of our living God with the petitions, needs, wants, and such with BOLDNESS through Christ! I pray that each and every one of you who have responded will know Him in a closer relationship through your battles for our fellow brothers and sisters.**

**Be bold, be sure, be blessed!**

**Shalom.**

**Will**

***U S A F museum trip.***

**My uncle Harry was a gunner on the "Hell's Angels" B-17, top 5th from the left (I think) I was fortunate to set down and talk with him just one year before his passing. He had many accommodations for his time in the air force including the DSC, BS, PH, and more. This airplane was the first B-17 to get its 25 missions in.**

Here sets the most famous B-17 the "Memphis Belle".  
You have got to see the remarkable restoration work on this airplane. I had to  
take a couple trips around it to take it all in.  
Great job to all those who had a hand in this project. It's good to keep our  
history alive, those men and women gave so much.  
"Thanks for your service".

**Notice:**

You could be the next modeler of the month.  
Just send us a picture of you, your aircraft and your favorite bible verse.

**That's all**
