

# CROSSWINDS

## *Modeler of the month.*

**Toney Gaffney, FCM president shown here at the Joe Nall fly-in.**

**Psalms 91:1,2**

**They that dwell in the secret place of the Most High, shall abide under the shadow of the Almighty. 2, I will say of the Lord, He is my refuge and my fortress: my God; in Him will I trust.**

## *Our new prayer-chain.*

**FCM did a mass mail out last month to all members since 1995.**

**It was time to clear and update our files. Of the 1,100 members on file we cleared nearly 400 members. In the 25 years we have lost members by moving with no forwarding addresses mostly and the lost of some who have fallen asleep.**

**Out of all this we have expanded our international pray chain to almost 100 intercessors.**

One more note, thanks to all those who sent FCM a financial gift. As in all our newsletter we thank all of you for your help in prayer and gifts, again thanks.

*Toledo Expo just around the corner.*

## **The Toledo Show: R/C Model Expo**

<https://www.toledoshow.com>

**65th Annual Toledo Show R/C Expo - April 5, 6, 7 - 2019 ... The Toledo Show: R/C Model Expo is North America's largest and longest running R/C model expo.**

***Greetings FCM members.***

**My wife and I have just returned from the South East Swap Meet that was held in Perry Georgia.**

**What a grand time we had. This event should be on every bodies bucket list. If you want a deal on any RC or Control line models and equipment, planes, boats, cars helicopters, then this is the place to go.**

**There are 3 large building just full of RC and Control line Stuff!**

**We, once again meet so many new faces and ones that did not know about the FCM. We also met several pastors of churches that were modelers and did not know about us. We raffled off a FPV Drone that we received Brodak that was worth \$600.00 and this was a free raffle. This brought in a lot of people that we could share the FCM with and also gave us a chance to witness to people about Jesus Christ. The winner of the Drone was James Robinson of Palmetto Georgia and he was so overwhelmed to win this great Item. Thanks really goes out to Mr. Brodak. O, Yes and he also received a FCM hat and T-Shirt.**

**Yes Sir if you have never been to the South East Swap Meet and you are looking for a deal on RC or Control Line Stuff, then this is the place and time to go. Next year the dates will be February 28, 29.**

**And O Yes, If you have never been to the Joe Nall, then this should be your next planed event to go to. My wife and I will be happy to see you there in a couple of months, Lord willing.**

**God Bless you all,**

**Tony Gaffney**

## *I Am.*

**The Lenten season helps us turn our hearts to prayerful reflection. Who is this Jesus that laid it on the line for a bunch of sinners like us? What did Jesus himself have to say on the subject?**

**As Jesus taught his way through the villages of Judea, he made some pretty earth shaking statements about himself. We know them as his great "I AM" statements.**

**The Jews of his day knew exactly what he meant when he said, "I am the Alpha and Omega." Statements like that paved the way to the cross. Jesus knew who he was and so did the religious leaders.**

**For us the Jesus "I AM" statements are beautiful reminders of the work he did for each of us.**

**"I am the Way. I am the Truth. I am the Life. I am the Bread of Life. I am the Light of the World. I am the Resurrection. I am the True Vine. I am the Bright and Morning Star. I am the Door. I am the Good Shepherd."**

**Jesus said, "I Am."**

**All we can say is, "Yes Lord! You are."**

**Blessings**

**Jan**
