## *Joe Nall 2017*

Greetings fellow Modelers,

What a week at the Joe Nall! It started off with rain as they let us down the hill to set up camp sites and pilot tents. It rained for about 30-40 minutes and then it stopped and it started up again at night time and then cleared away by Saturday morning and then the weather was perfect throughout the entire event with very little wind and perfect flying conditions.

We set up the FCM worship tent and started having morning services on Sunday. I had a message on "Do you Believe" and boy did God test our faith. The Drew singers from Nashville were supposed to be at Sundays service but Mitch called me on Saturday and said they probably would not make on Sunday because they made his wife work on her job all day Saturday. Then a long time FCM attendee, since the very beginning we started the FCM at the Nall, his van broke down and was not probably going to be there for the whole week. Then one of our attendees lost his cell phone and he tried to call but nobody was answering. At this time several of us were wondering what was going to happen. O, ye of little faith. Well on Sunday morning just before service, the Drew family showed up, then we had a great service and the message was really hitting home for several of us because Jesus said " if thou cans't believe, all things were possible. 2 hours after the service the phone was found and returned to the owner and the Van was fixed and Randy shows up at 6 PM. God just did amazing things all week long and how he answered prayers. We had people coming to the morning services with marital problems, some with loved ones who just had heart attacks and people coming to us all week long asking for prayer and we just had a wonderful time ministering to every one, and o yes, the one we prayed for that had the heart attack, they had no damage and they could not find any blockages and was released from the hospital without any kind of surgery. Praise the Lord for what he did at the Joe Nall.

We are still finding people who did not know we are at the Joe Nall, so I urge everyone that attends the 2018 Joe Nall come and find us and come and worship with us and see what God will do at next years event. By the end of the week we were having more attendants than we ever had.

Bellow are some pictures. I have my 4 planes starting from the Cub to the PT-19

God Bless and hope to see you next year,

*Flight line.* (this is just one of many flight lines)

Controline has been a part of the fly-in for the past 5 or so years, maybe we'll get down there next year and get some pictures.

*Tony came to fly too.*

Great job Tony standing in and up for Jesus and FCM. I'm sure you deserve a long rest when you get home and un-pack. Thanks again from all of us here.

*Scripture for the month.*

James 3:13-18

**Two Kinds of Wisdom**

13 Who is wise and understanding among you? Let them show it by their good life, by deeds done in the humility that comes from wisdom.14 But if you harbor bitter envy and selfish ambition in your hearts, do not boast about it or deny the truth.15 Such "wisdom" does not come down from heaven but is earthly, unspiritual, demonic.16 For where you have envy and selfish ambition, there you find disorder and every evil practice. 17 But the wisdom that comes from heaven is first of all pure; then peace-loving, considerate, submissive, full of mercy and good fruit, impartial and sincere. 18 Peacemakers who sow in peace reap a harvest of righteousness.
